## YOUTH SPORTS PARENT ZERO TOLERANCE POLICY

The Cramerton Parks & Recreation Department (CPR) strives to provide positive athletic experiences for all children. We are dedicated to providing every participant an opportunity to learn, play, and have fun. The CPR philosophy is that respect, fairness, participation, and good sportsmanship are more important than winning. In keeping with our philosophy, the following rules and guidelines are provided to ensure that everyone can have and enjoy a positive recreational sports experience.

I hereby pledge to provide positive support, care, and encouragement for my child participating in youth sports by following this Code of Conduct and Zero Tolerance Policy:

1. I will remember that children participate to have fun and that the game is for youth, not adults.
2. I will insist that my child play in a safe and healthy environment.
3. I will refrain from "Grandstand" coaching my child or other players during games and practices.
4. I (and, my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials, and spectators at every game, practice, or other sporting event.
5. My child and I (and, my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing, harassing and taunting; refusing to shake hands; using profane language or gestures; or any other form of inappropriate behavior.
6. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
7. I will familiarize myself with the rules of the game and the policies of the league. Rules are available at [www.cramerton.org](http://www.cramerton.org), or you may get a copy from the C.B. Huss Recreation Complex.
8. I will demand that my child treat all other players, coaches, officials, and spectators with respect regardless of race, creed, colors, sex, or ability.
9. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol, and I will refrain from their use at all recreational and leisure facilities.
10. I will emphasize skill development and practices and how they benefit my child over winning. I will deemphasize games and competition in the younger age groups.
11. I will respect the officials and their authority during games and will never question, discuss, or confront officials or coaches at any recreational facility. The official's decision is final. Touching or verbally abusing an official can lead to criminal charges.

If I fail to adhere to these guidelines, I understand that I may be subject to suspension and/or expulsion.
