If giving at the Friends of the Memorial level (\$500) or above, we would like to acknowledge your gift with a recognition on the appropriate plaque at the Memorial. Within each donor level, donors will be ordered alphabetically by organization name or last name in the case of family or individual donation. To maintain uniformity, it is recommended couples be listed as "Jane & John Smith", and families be listed as "The Smith Family", "The John Smith Family" or "Family of John Smith." In lieu of your name, you may honor a loved one with your gift with "In Honor of John Smith" or "In Memory of John Smith." In these examples, the alphabetization is based on "Smith."
