Coach Information

Lindsey Steele

I graduated from North Gaston in 2007 and Belmont Abbey in 2011. I have played softball recreationally for over 20 years, and I have coached for 5 years at Cramerton Middle School where we have won the conference championship twice and won the county once. My favorite part about softball is thinking critically about the game and teaching girls to do the same. The mental aspect of the game is very important in being successful.

Wednesday after camp, the pool event is the Summer Kick-off!
